

# EMS Colourtred

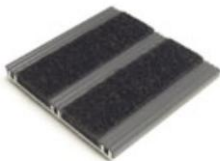

## Rigid Aluminium Entrance Matting System

**EMS Colourtred** available from Syncros is constructed using a rigid aluminium base to give extra strength and incorporates a variety of infill choices as well as coloured PVC scraper bars.

EMS Colourtred is professional designed, engineered and hand-built in the UK product with architects and specifiers in mind. No other product offers such a comprehensive range of colours. And you can mix and match any combination of inserts and scraper bars to create your own design.
