

Coba Premier Grip

Modular Entrance Matting System

Coba Premier Grip Entrance Matting Systems is a 30cm x 45cm modular tiles system made from 100% recycled PVC. Suitable for use indoors and outdoors installations the dirt-scraping raised nodules remove soiling whilst the small holes provide efficient drainage. Suitable for wheeled access. The tile format allows it to be used to fit any shape area whilst the textured surface gives added grip and comfort underfoot. Fire tested to EN13501 Euro Classification B(F)S1.
